4.5 Working Capital Fund. Each owner of a completed residence in The Peninsula shall pay two hundred Dollars (\$200.00) to the Association within thirty (30) days after the initial occupancy of such residence to establish a working capital fund. Pending the Transfer of Control, the Developer shall have the obligation to advance funds for the maintenance of the Common Areas and administration of the Association to the extent that the

working capital contributions and assessments shall be insufficient to enable the Association to defray such costs (hereinafter referred to as the "Developer Contributions"). Amounts paid into the fund shall not be considered as advance payment of regular assessments. The working fund shall be held and distributed for the following purposes in the order of priority listed: (a) to reimburse the Developer for Developer Contributions, (b) to fund costs of maintenance of the Common Areas and administration of the Association that cannot be defrayed by assessments; and (c) to assure that the Association will have cash available to meet unforeseen expenditures, or to acquire additional equipment or services deemed necessary or desirable by the Board of Directors.

4.6 Acceptance of Development. By the acceptance of a deed to a Lot, any purchaser of a Lot shall be deemed to have accepted and approved the entire plans for the Peninsula Subdivision development, and all improvements constructed by that date, including, without limitation, the utilities, drains, roads, sewers, landscaping, Common Area amenities, and all other improvements as designated on the Plat, and as may be supplemented by additional plats upon completion of development of any portion of the balance of The Peninsula. Such purchaser agrees that all improvements constructed after the date of purchase consistently with such plans and of the same quality of then existing improvements shall be accepted, quality of then existing improvements, shall be accepted. Security may be provided at the Developer's discretion, and no Owner shall have any cause of action for failure to provide adequate security.

ARTICLES

COMMON ARFA PROPERTY RIGHTS AND MAINTENANCE ASSESSMENTS

5.1 Common Areas. Each Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Areas which shall be appurtenant to and shall pass with the title to each Lot as designated upon the Plats, subject only to the provisions of this Declaration and the Articles of incorporation, By-Laws, and rules and regulations of the Association, including, but not limited to, the following;

(a) The right of the Association to limit the use of the Common Areas to Owners or Occupants of Lots, their families and their guests;

(b) The right of the Association to suspend voting privileges and rights of use of the Common Areas for any Owner whose assessment against his Lot becomes delinquent; and

(c) The right of the Association to dedicate or transfer all or any part of the Common Areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the Members; provided that no such dedication or transfer shall be effective unless the Members entitled to cast at least three-fourths (3/4) of the votes agree to such dedication or transfer and signify their agreement by a signed and recorded written document; and provided further that this paragraph shall not preclude the Board of Directors of the Association from granting easements for the installation and maintenance of electrical, telephone, cablevision, water and sewerage, utilities, and drainage facilities upon, over, under, and across the Common Areas without the assent of the membership when such easements are requisite for the convenient use and enjoyment of the Properties.

(d) Notwithstanding anything herein to the contrary, no Owner shall be subject to absolute liability for damage or destruction to any Lot or the Common Areas.

5.2 Assessment for Maintenance of Common Areas. For each Lot owned within the development, every Owner covenants and agrees, and each subsequent Owner of any such Lot, by acceptance of a deed therefor, shall be deemed to covenant and agree, to pay to the Association monthly or annual assessments or charges for the creation and continuation of a maintenance fund in amounts to be established from time to time by the Board of Directors of the Association in order to maintain, landscape, and beautify the Common Areas, to promote the health, safety, and welfare of the residents of the community, to pay taxes, if any, assessed against the Common Areas, to procure and maintain insurance thereon, to employ attorneys, accountants, and security personnel, and to provide such other services as are not readily available from governmental authorities having jurisdiction over the same. In addition, the Owner of each Lot and each subsequent Owner thereof, by acceptance of his deed, covenants and agrees to pay special assessments as approved by the membership in the manner herein described.

provided. Notwithstanding the foregoing, no assessment shall be levied with respect to a Lot that has not been improved by a completed and occupied residence for a period of three (3) years after such Lot is initially subjected to these Restrictive Covenants.

5.3 Creation of Lien and Personal Obligation of Assessments. In order to secure payment of assessments, both monthly or annual and special, as the same become due, there shall arise a continuing lien and charges against each Lot, the amount of which shall include interest at the maximum effective rate allowed by law, costs and reasonable attorney's fees to the extent permissible by law. Each such assessment, together with such interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Lot at the time the assessment became due; provided that this personal obligation shall not pass to successors in title unless expressly assumed by them. The lien provided for herein, however, shall be subordinate to the lien of any first deed of trust (sometimes hereinafter called "mortgage") on any Lot if, but only if, all such assessments made with respect to such Lot having a due date on or prior to the date such first mortgage is filed for record have been paid. The lien and permanent charge hereby subordinated is only such lien and charge as relates to assessments authorized hereunder having a due date subsequent to the date such first mortgage is filed of record and prior to the satisfaction, cancellation, or foreclosure of the same, or the transfer of the mortgaged property in lieu of foreclosure. The sale or transfer of any Lot shall not affect any assessment lien. The sale or transfer of any lot that is subject to any first mortgage, pursuant to a foreclosure thereof or under power of sale or any proceeding in lieu of to foreclosure thereof, shall extinguish the lien of such assessment, but not the personal obligation of any former title holder, as to payments that became due prior to such sale or transfer and subsequent to the recordation of the first mortgage that has been foreclosed, but the Association shall have a lien upon the proceeds from foreclosure or of sale junior only to the lien of the foreclosed first mortgage. No sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof,

5.4 Levy of Assessments. The Board of Directors of the Association shall fix the commencement date for monthly or annual assessments on the first day of the month following the conveyance of the first Lot to an Owner and shall provide for a partial assessment between the commencement date and the end of the calendar year following. Thereafter, monthly or annual assessments shall be levied by the Board of Directors of the Association, by action taken on or before December 1 of each year for the ensuing year. The Board, in its discretion, may provide for the periodic payment of such assessments at some interval other than monthly. Special assessments may be levied in any year for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, if any, including fixtures and personal property related thereto; provided that the same are first approved by the Board of Directors of the Association, recommended to the membership, and subsequently, approved by affirmative vote of Members entitled to cast at least two-thirds (2/3) of the votes at a meeting of the Members duly held for that purpose. Written notice of the monthly, annual or special assessment shall be mailed (by U.S. first class mail) to every Owner subject thereto. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid and the amount of any delinquencies. The Association shall not be required to obtain a request for such certificate signed by the Owner, but may deliver such certificate to any party who in the Association's judgment has a legitimate reason for requesting the same.

5.5 Minimums and Maximum Annual Assessment. The minimum annual assessment shall be One Hundred Twenty and no/100 Dollars (\$120.00) per year per Lot and the maximum annual assessment shall be Six Hundred and no/100 Dollars (\$600.00) per year per Lot. The Association, at its option, may allow the payment of the annual assessment on a monthly or quarterly basis. For each calendar year following 1995, the foregoing maximum annual assessment may be increased by the Board of Directors each year by an amount up to, but not in excess of five percent (5%) of the maximum annual assessment for the previous year without a vote of the membership. Following the Transfer of Control, in the event the Board of Directors determines that an increase in excess of such amount is required, the amount of assessment exceeding such limitation shall be automatically effective thirty (30) days after the Association sends written notice to each Owner of the amount and necessity of such increased assessment unless the Association receives written objection to such increased assessment by Members entitled to cast more than fifty percent (50%) of the percentage values or the votes eligible to be cast by Members of the Association within such thirty (30) day period or a

special meeting of members is called within such thirty (30) day period and the excess assessment is disapproved by a like vote of the Members at such meeting.

5.6 Rate of Assessment. All Lots in the development shall commence to bear their assessments simultaneously

5.7 Effect of Non-Payment of Assessment and Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the maximum effective rate then allowed by law. The Association, its agent or representative, may bring an action at law against the Owner personally obligated to pay the same or foreclose the lien against the Lot to which the assessment relates, and interest, costs, and reasonable attorney's fees for such action or foreclosure shall be added to the amount of such assessment to the extent allowed by law. No Owner may avoid liability for the assessments provided for herein by non-use of the Common Areas or abandonment of his Lot.

5.8 Insurance.

(a) The Board of Directors of the Association shall determine what insurance and in what amounts shall be necessary for the operation of The Peninsula. Until such time as any of the Common Areas of The Peninsula are improved, it is anticipated that the only insurance necessary for the operation of the Association shall be general liability insurance for claims arising out of the use of the Common Areas.

(b) In the event that the Board of Directors determines that it will be in the best interest of the Association to obtain insurance on any improvements owned by the Association and constructed in the Common Areas, the Association shall obtain fire and extended coverage insurance covering all such improvements and all personal property, equipment, fixtures and supplies owned by the Association. The face amount of such policy or policies shall not be less than one hundred percent (100%) of the current replacement cost of the property required to be covered by this Section. Such policy shall contain and agreed amount and an inflation guard endorsement, if such can be reasonably obtained, and also construction code endorsements, such as demolition costs endorsement, contingent liability from operation of building laws endorsement and increased cost of construction endorsement. Such policy shall also contain steam boiler and machinery coverage endorsements, if applicable. The insurance policies so purchased shall be purchased by the Association for the use and benefit of individual Owners and their mortgagees. The Association shall issue certificates of insurance to each Owner showing and describing the insurance coverage for the interest of each Owner, and shall develop procedures for the issuance, upon request, of a copy of the policy together with standard mortgagee endorsement clauses to the mortgagees of Owners. To the extent reasonably available, such policy shall waive rights of subrogation against Owners, the Association, and all agents of the Association. The insurance policies purchased by the Association shall also provide, to the extent reasonably available, that the insurance will not be prejudiced by any acts or omissions of Owners that are not under the control of the Association, and that such policies will be primary even if the Owner has other insurance that covers the same loss. The insurance policy shall also provide that any applicable insurance trust agreement will be recognized.

(c) If available at reasonable cost, as determined in the sole discretion of the Board of Directors, directors and officers liability insurance shall be purchased in amount determined by the Board of Directors. It is presently agreed that coverage in the amount of One Million and No/100 Dollars (\$1,000,000.00) per occurrence would be a reasonable amount of such coverage.

ARTICLE 6

(b) Any agreement for the professional management for the Association, whether it be by the Developer, its successors and assigns, or any other person or entity, may be terminated on ninety (90) days written notice and the terms of any such contract shall so provide and shall not be of a duration in excess of three (3) years.

(c) The Association shall give to the FIILMC, the VA, or the FHA or any lending institution servicing such mortgages as are acquired by the any of the foregoing, notice in writing of any loss to or the taking of the common facilities if such loss or taking exceeds Ten Thousand Dollars (\$10,000.00). ARTICLE 8

8.2 Duration. Notwithstanding the foregoing, the Owners of Lots then subject hereto shall have no right to amend the provisions of Article II or paragraph 5.2, without the prior Written consent of Developer.

The provisions of this paragraph 8.4 are in addition to and separate from the rights of the Association to collect Association fees. Any failure by Developer or any property Owner to enforce any of said covenants and restrictions or other provisions shall in no event be deemed a waiver of the right to do so thereafter. Invalidation of any one or more of these restrictions by judgment or court order shall neither affect any of the other provisions not expressly held to be void nor the provisions so voided in circumstances or applications other than those expressly invalidated, and all such remaining provisions shall remain in full force and effect together with the provisions ruled upon as they apply to circumstances other than those expressly invalidated.
